Summary/Description

1998 Sea Ray 550 Sedan Bridge. A classic Motor Yacht look for a Sea Ray.

1998 Sea Ray 550 Sedan Bridge. A classic Motor Yacht look for a Sea Ray. The interior is impressive, large salon, full galley, dinette table with bench seats, queen master in bow with private head, full quest to stbd and over & under bunks to port with a shared full head. She is a real family boat! The bridge is tremendous, large console, two helm chairs and will seat 8 large adults comfortably. The salon exits to a full beam aft deck that leads to a swim platform via a center boarding gate. This is an easy on and off boat for young and old alike. One 240VAC & one 120VAC shore Glendinning cable masters for effortless plug-ins. Spare shaft and prop for traveling. Low hours CAT engines and low hours on a 15KW Westerbeke generator. All at less than 200K!

MANUFACTURER DESCRIPTIONS

The Sea Ray 550 Sedan Bridge combines the performance and advanced styling of a Sedan Bridge with the spacious and elegant liveaboard accommodations of a 55-foot luxury yacht. The 22-foot flybridge offers seating for eight. The large bridge features an advanced bridge control station, snap-in carpet, an adjustable captain's chair, and two companion helm seats. Additional seating is found on the bridge bench seat, near the bridge entertainment center, which is complete with an ice maker and stereo. For navigating in inclement weather, a standard lower helm station is found in the salon. From the flybridge, the fiberglass companionway provides wide, non-skid textured steps to the cockpit area. Through-bolted stainless steel grab rails ensure an extra measure of safety. In the cockpit, guests can relax in upholstered aft corner banquettes, separated by a center transom door that leads out to the swim platform. From the cockpit, a large glass sliding door leads to the cabin featuring 66-ounce Masland carpeting. To port is the entertainment center and a comfortable easy chair. To starboard, a 10-foot wraparound sofa provides seating for several passengers. The sofa will also serve as comfortable sleeping accommodations for two adults. The galley comes complete with a three-burner cooktop, microwave - convection oven, refrigerator - freezer, and lots of counter space. To port, meals are served amid a spectacular view. Forward and down three carpeted steps, lie the staterooms. The spacious master suite includes a full-size island bed with custom coordinated linens, and plentiful storage underneath. Multiple storage lockers and shelves, a large mirrored vanity with storage drawers, and a private head with vanity and shower complete the stateroom. Directly above the bed, a screened translucent deck hatch provides natural light and fresh air, as desired. To port, the crew quarters provide comfortable sleeping for two. The berth also includes a washer - dryer, convenient to both upper and lower decks, as is the central vacuum system. The guest head is also portside, and includes a vanity and shower. In the starboard stateroom, guests enjoy a full-size berth with storage lockers underneath and overhead, a convenient vanity and cedar-lined hanging locker.
