- Full Beam on Deck Master Ensuite with Private Office
- Interior Done & Refreshed by David Ostrander
- Distinguished Art Collection
- At Anchor Stabilizers
- Established Charter Program
- Jacuzzi with Rain Shower on Sundeck
- Lloyd's Class

MAIN DECK

Moving forward through the sliding doors, we enter the main salon which is a masterful mix of modern but timeless design. Blue is the predominant colour here, invoking a feeling of calm and understated elegance. Flawless joinery in

book-matched teak surrounds us with an espresso-stained mahogany sole, and suede headlining. Carpets are custom woven wool and mohair from Tai Ping, and built-in furniture pieces exhibit exotic inlaid Shagreen skins in ivory. The monumental Prussian Blue table lamps are from Christopher Spitzmiller, while upholstery fabrics are from Pierre Frey. The two coffee tables oppose another spectacular table in Macassar Ebony that converts to an ottoman with the flip of the marble top.

Owner's Stateroom

The colour theme of this room is predominated by shades of blue and orange, recalling the vibrant palette of The Cote d'Azur. Custom bed linens of 1200 thread-count Egyptian Cotton, and her desk and makeup vanity all custom executed in teak. The owner's dressing room features doors inlaid with orange Shagreen.

Owner's Ensuite

The ensuite is arranged forward of the Owner's stateroom with shower cabin with fixed head and wall showers, two countertops with wash basins, toilet and bidet and well sized Jacuzzi bath with hand held shower. Shower cabin door of decorated and tempered glass in combination with Dornbracht hardware.

Owner's Private Office

Upon entering the office, we are greeted by teak and leather Hermes chairs, a teak desk and chair by Eames, marble table by Mangiarotti, and an aubusson rug in a bold but subtle tone-on-tone motive.

Salon/Dining area

With dining table for 10 guests forward of the main salon, we find a custom teak, wenge and mahogany dining table with vintage dining chairs by Gio Ponti. The division between salon and dining has a large flat screen TV on a lift.

Galley/Pantry

Walls are covered with Formica or veneer, ceiling to be hard-plastic covered and a black stone floor, sealed against walls.

The cupboards exteriors in Formica or veneer, their interiors, shelves, drawers, etc. lined with hard-plastic and the working tops are made of granite.

LOWER DECK

Guest Cabins

Proceeding to the lower-deck, we arrive at the guest accommodations. This area features a salon-style photography

installation with a selection of iconic images by Slim Aarons depicting a myriad of indulgent and exotic scenes of "the good life" from around the world. Forward are two twin staterooms that convert to Kings, each with a unique color scheme and custom fabrics. Aft, we have two VIP staterooms with king size berths, and again, unique color schemes and artwork. All are ensuite with marble bathrooms of calacutta gold with fixtures by Dornbracht. The VIP guest ensuites feature baths and bidets.

BRIDGE DECK

Sky Lounge

Proceeding back up the spiral staircase connecting all three decks, we experience the inlaid abstract mural of backlit panels, inlaid leather, mahogany, teak, and capiz shell panels. As we arrive at the sky lounge foyer, we have an onyx day-head to our left, and the spacious full-beam sky lounge to our right. With new sheepskin floor rugs and upholstery, this area is meant to be fun, but elegant- equally appropriate for movies with the family as it is for an elegant cocktail party. A wet bar services guests drinks requirements. Aft of the sky lounge is the semi-covered bridge-deck dining lounge. This alfresco dining and lounging space are furnished with gorgeous Summit teak furniture, and custom textiles from Maria Flora.

SUN DECK

As we proceed upwards to the Sun Deck, we find two relaxing chaises, and a Peleton bike, weights, and yoga mat. This semi-covered area also boasts a rain-shower in the hardtop. Two large fixed U-shaped sofas on P and SB at the midsection of the sundeck with two half round teak tables that can be lowered to form a large sun bed. Forward is a large 4-6 person Jacuzzi. At port and SB side of the Jacuzzi large built in sun beds. The fixed sofas and sun pads have accessible watertight storage within for cushions etc. A sink and small fridge, icemaker and BBQ grill are arranged in the bar on the SB side.

SNOWBIRD 128'/39m Hakvoort Tri-Deck Motor Yacht 2010/2020 - Specs

MECHANICAL

ENGINES: 2 x Caterpillar Diesel Engines type C18 DITA - Mkl, each with an MCR (maximum continuous-rating) of 447 kW at 1800rpm.

GENERATORS: 2 x Northern Lights type M1066A1:rating 105 kW at 1,500 rpm

5 Year Survey done June 2020

STABILIZERS: Naiad KN520 Zero Speed - Serviced in 2020.

European constant frequency parallel system, automatic paralleling and load sharing, system voltage 230/400 V - 50 Hz.

STEERING SYSTEM: Tenjford JT2.130, RollsRoyce, Hydraulic cylinder between twin spade rudders, 2x Main pumps 2.2kW (Ram overhauled April 2017)

PROPULSION SYSTEM: Straight drive, oil lubricated shafts, 2 x Fixed Pitch propellers.

CONTROL STATIONS: 3x Positions: wheelhouse & both bridge wings; plus emergency control near steering gear.
