Summary/Description

This 92' Viking is truly a fishing machine

This 2017 Viking 92 Enclosed Bridge is an exceptional Sportfishing Yacht that combines exceptional performance, luxurious comfort, and cutting-edge technology. From the sleek exterior to its powerful engines, this yacht is designed to cater to the most discerning anglers and their guests.

With a length of 92 feet and a beam of 24 feet, the yacht's spacious layout offers ample room for both relaxation and fishing. The luxurious and elegantly decorated interior features a large aft lounging area with a sectional sofa, a sit-up breakfast bar, and a fully equipped eat-in galley. The dining area, which can comfortably seat six guests, is perfect for hosting dinner parties.

The flybridge, which is enclosed for quiet and protected cruising in any weather, is equipped with state-of-the-art navigation and communication systems. The yacht's main deck fishing cockpit is designed for serious tournament anglers, with ample storage space, tackle drawers, and a large fish box. The upper-level mezzanine provides an ideal vantage point for guests to get in on the action from afar.

Powered by Twin MTU engines, the Viking 92 Enclosed Bridge is capable of cruising at 30 knots and has a top speed of 36 knots. The yacht is also equipped with Seakeeper stabilizers, which provide a comfortable experience on board while underway and at anchor. Overall, the Viking 92 Enclosed Bridge is a truly exceptional yacht that combines the best of performance, luxury, and technology to provide an unforgettable fishing experience.

Description

The AUSSIE RULES is a remarkable luxury sportfishing yacht that boasts an impressive interior, top-notch performance, and advanced technology. With a beam of 7.4m (24.3ft), this yacht offers ample space for both entertainment and relaxation. The open-plan main deck includes a spacious lounging area aft with a sectional sofa, a large sit-up breakfast bar and eat-in galley, and a dining area for six guests. All five guest cabins are located on the lower deck, accommodating up to 10 guests. The full-beam owner's suite is particularly noteworthy, with a walk-in wardrobe and his-and-hers en suite bathrooms.

The flybridge is fully enclosed, allowing for quiet and protected cruising in any weather. A sky lounge with comfortable seating and panoramic views is located aft of the helm station. The flybridge aft is equipped with an additional helm station with outriggers and rod holders.

AUSSIE RULES is an ideal sportfishing yacht, with the main deck fishing cockpit designed for serious tournament anglers. The upper-level mezzanine offers guests a great view of the action, while a built-in BBQ and al fresco dining area complete the outdoor entertainment space. Steps lead down to the fishing cockpit on both sides.

Twin MTU 2,635hp engines power the AUSSIE RULES, allowing it to cruise at 30 knots and reach a top speed of 36 knots. Seakeeper stabilizers ensure a comfortable experience on board, whether underway or at anchor. With a range of 616 nautical miles, there are endless possibilities for exploring new fishing grounds. Overall, the AUSSIE RULES is a luxury sportfishing yacht that offers the perfect combination of comfort, performance, and technology.

Manufacturer Provided Description

The Viking 92 Convertible is a stunning yacht available in both Open Bridge and Enclosed Bridge configurations, designed for the ultimate fishing experience with unparalleled luxury and elegance. The yacht's profile boasts a motor yacht style with dual mezzanine decks, one in the cockpit and the second on the main level after deck, providing a comfortable and relaxing outdoor experience. The latter mezzanine features rear-facing lounge seating, a second seating area, and a table for al fresco dining, along with an outside galley and grilling area.

The interior is equally impressive, featuring a spacious and luxurious salon that transforms into a majestic living room with built-in furniture and plush appointments. The L-shaped island in the galley complements the work area, and all countertops feature custom-selected granite. The yacht also features a formal dining area that accommodates eight guests.

The 92 Convertible has six staterooms, each with its own private head and shower, offering the ultimate in comfort and privacy. The full-beam master suite is particularly impressive, featuring a king-size walk-around bed, a walk-in closet, a dressing table, and his-and-her private facilities. The yacht's crew quarters are located aft with access from the cockpit, featuring a head with a shower, a small galley area, and upper and lower berths in a private cabin.

The Viking 92 Convertible is powered by either Caterpillar or MTU engines, and the communication, navigation, and entertainment electronic package are designed and installed by Viking's sister company, Atlantic Marine Electronics. The first Open Bridge boat will also feature a tuna tower designed and fabricated by another Viking subsidiary, Palm Beach Towers. With standard and optional accessories selected from Viking's own subsidiaries, the 92 Convertible is turnkey ready for the ultimate fishing and yachting experience.
