Life on board with family or friends who are new sailors is the very essence of every Oceanis design. With her magnificent combination of style, spirit, and comfort, the new Oceanis 34.1 raises the bar for sailing boats in the 35-foot range. It provides safe cruising adventures aboard an easy-to-manage boat for the crew.

The boat includes two or three double cabins inside, along with a head. Regardless of the type selected, the boat interiors are bright and spacious. The vessel includes lengthy windows in the coamings, four deck hatches, and four hull portholes, so you can fully enjoy the cruising experience from the Oceanis saloon.

The uncluttered layout and roof-top position of the mainsheet provides a spacious cockpit that is ideal for relaxation whether under sail or at anchor. A stylish swim platform provides easy access to the sea. \
