Manufacturer Provided Description

Open water excitement begins the minute you step aboard our 255 LXF. The incredible ride and performance not only make it fun to drive, but the boat's lines will make you the envy of all your friends as you pull up to your rendezvous point. There's ample space throughout the boat not only to move around freely, but also for storage, including the large under-console seat cooler and additional storage located in the bow below the forward seating area with removable backrests. An innovative fold-out table and extra hide-away cooler are ideal for entertaining or just relaxing out on the open water. Aft, you'll find additional seating with the fold-down transom seat. Available with stainless steel rod and cup holders and upholstery color upgrades, you can also get your 255 in one of our beautiful hull color options.
