BROKERS WALK THRU

Absolutely wonderful starter boat. Or even a great run about for a larger yacht. It is a small boat, but without the small feel. There is room for 6 people comfortably onboard and while you are probably not going to reach top end speeds with six onboard, getting there is half the fun.

This boat is very clean, it is not going to require project work to go hit the water and enjoy. There is ample storage throughout the boat, you will not have to leave a lot of stuff in the way and on top of the open deck.

Very nicely equipped for a boat this size. GPS, Chart Plotter, Fish and Depth. Jenson Stereo. Cable Steering was replaced about a year ago with new Hydraulic Steering.

This is a two Owner Boat. Current Owners have had for 5 years and purchased with 30 Hours. They are From Canada, Very light. and Responcible use.

Come see for yourself, great little boat.. Seller wants this gone before they leave back to Canada. Get your offer in now!!
