Summary/Description

Westport Motor Yachts have long been known and admired for their quality and value. This 40 meter flybridge example has recently undergone a complete interior refit and has fresh mechanicals and updated electronics.

Westport Motor Yachts have long been known and admired for their quality and value. This 40-meter flybridge example has recently undergone a complete interior refit and has fresh mechanicals and updated electronics.

Launched in 1989, MAC is a five-stateroom layout with the full beam owner's suite located on the main deck. Her 1500 hp 3508 Caterpillar engines have less than 200 hrs and give her a cruise speed of 14 knots plus a top speed of 21 knots. She has a long list of desirable features and very efficient operation for her size making this pedigreed vessel a great opportunity. Ready for viewing and located in Fort Lauderdale, FL.
