## Summary/Description

CHAMPAGNE SEAS is fully operational under RINA Class and Malta Commercial Flag, providing the utmost reassurance of her condition and active status. Currently being shipped to Greece. ETA May 10th

Built in 2003 by Ferretti and undergoing recent refits in both 2018 and 2022, CHAMPAGNE SEAS is a truly impressive yacht, boasting luxurious accommodations for up to 12 guests across five lavish cabins. With its elegant and fresh interior design, CHAMPAGNE SEAS features a spacious main salon that offers warm tones, large windows, and a striking glass dining table that seats ten guests, providing the perfect setting for both intimate dinner parties and formal dining.

The yacht's accommodations are truly exceptional, with an On Deck Owners cabin and four Guest cabins, all boasting ensuite bathrooms. One of CHAMPAGNE SEAS's standout features is the intelligently modified twin guest cabin, which can be effortlessly transformed into a state-of-the-art Gym/Massage room, providing guests with the ultimate in onboard luxury.

Outdoor living areas are plentiful on CHAMPAGNE SEAS, with the Flybridge offering guests an array of spaces in which to unwind and enjoy the stunning vistas. Featuring outdoor dining, sun pads, sun loungers, and a bar, this elevated deck provides ample space for relaxation and entertainment. Boasting a cruising speed of 21 knots and a maximum speed of 24 knots, CHAMPAGNE SEAS is designed for swift and comfortable travel between destinations.

With her combination of impressive communal spaces, large outdoor areas, and fast and comfortable cruising, CHAMPAGNE SEAS promises to create an unforgettable experience for her Owner and Guests

CHAMPAGNE SEAS is fully operational under RINA Class and Malta Commercial Flag, providing the utmost reassurance of her condition and active status. Her adherence to such strict regulations speaks to the care and maintenance she has received, ensuring that she remains in top form and ready for any adventure. As a result CHAMPAGNE SEAS is not only stunningly beautiful and luxurious but also safe, reliable, and fully compliant with international standards.

## Notable upgrades since 2021

En Route to Athens, Greece arriving first week of May

Champagnes Seas has been constantly maintained to the highest standards and in 2021 she was upgraded with ABT Zero Speed Stabilizers and in 2022 she has both of her main engines removed from the vessel and Overhauled by the MTU Dealer. The overhaul of the main engines was the W6 and included the crankshafts also. Thus the yacht had her hours Zeroed

Current MAIN ENGINE hours :

Stbd 4914 only 425 hrs since the Major Overhaul Engine hours reported on 03/09/2023

Port 4921 only 419 hrs since the Major Overhaul. Engine hours reported on 03/09/2023
