- **Custom aluminum frame by first owner for helm station, Radar Arch and Cockpit Enclosure**
- **Beautiful teak and holly Lonseal® vinyl flooring throughout the interior, installed in 2015**

**Check out More Information for all the details and more ....**

**Here is what the Powerboat Guide Says about the Albin 32+2:**

The Albin 32+2 Command Bridge (called the 32 Sport Fisher until 1997) represented a departure from Albin's trawler-boat heritage when she was introduced back in 1989—an attempt to crack the sportfishing market with a practical and fuel-efficient trunk cabin express cruiser. She's built on a sea kindly modified V hull with a full-length, prop-protecting keel and moderate transom deadrise. Originally offered with a convertible dinette forward and a private stateroom aft, a tri-cabin layout has been available since 1995. (Note that the deckhouse and flybridge were also updated in 1995.)

Cabin headroom is excellent thanks to the step-up command bridge, there's a stall shower in the head, and the galley (in the original floorplan) has been called a model of efficiency. Twin hatches in the cockpit sole provide good access to

the engine and V-drive unit. Additional features include wide side decks, a transom door, an integral swim platform (since 1997), and teak interior trim work. Among several single- and twin-engine installations, a single 300hp Cummins (or Cat) diesel will cruise the Albin 32+2 Command Bridge around 18 knots (23-24 knots top) with a 700+ mile range. A bow thruster was standard in later models.

## Accommodations

**Centerline queen berth with a 2015 custom mattress that folds up to access storage below, two hanging lockers and multiple drawers. Separate shower stall with seat and a Vacuflush Marine Head. The main cabin can accommodate two occasional overnight guests when you convert the dinette to a huge double berth.**

## Manufacturer Provided Description

The classic lines of the Albin 32 + 2 Command Bridge distinguish it from all other boats, providing luxury at an affordable price. A queen size forward cabin with a center dinette that converts to a king-size berth or two single berths. The galley includes two refrigerators, a double sink, a microwave, a coffee maker, and ample cupboard and drawer storage.

The large cockpit with deck lockers and a transom door leading to the integrated swim platform ensure safety and accessibility for all water sports. The Albin 32 + 2 is available as a single-engine boat only. The panoramic view from the command bridge, the wide side decks and the large cockpit are unique features in a boat of this size. Her speed range is 17 to 24 knots, depending on the power plant.

## Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
