Summary/Description

This boat is ready and well equipped for cruising. The Oceanis 38.1 offers a performance to habitability ratio second to none on this size of cruising yacht. Length and beam on the waterline have been extended to the limit to make her quick to cut through the water while increasing stability.

Plane 2 Sea has been well maintained.

Her sails are cut by Neil Pryde in 2019. They consist of a furling mainsail, self-tacking jib and a jib top reacher, all in good condition.

Her bottom was last stripped and redone with epoxy barrier coat and Tropikote Black, August 2021

Engine - Water pump/impeller replaced 2022, oil change 2023

Additions and upgrades include:

Canvas - Dodger, Side panels, side and rear sun screens - 2020

Solar panels - integrated to electronics system through Victron system - 2020

Davits, Dinghy and Outboard Motor.
