Cummins
6BTA
Inboard
315HP
234.90KW
Fuel: Diesel
Hours: 600
Hours Date: 03-01-2023
Year: 2018 Remanufactured
Serial #: M121415007N
Location: Starboard

Summary/Description

For Sale

This 1986 G&S 32' Express is only 1986 on paper! Re-built from the hull up in 2018 by boat-builders from the original G&S factory, with the iconic curved transom adding an additional 18" to the deck of the cockpit. This vessel is everything you need to step into the world of bluewater sport fishing. A large cockpit with a rocket launcher in the center and transom mounted livewell leaves room for everyone to fish. A center-mounted lower helm allows the operator to run the boat within feet of the crew fishing. A no-frills straightforward cabin down below offers comfortable shelter to get out of the sun or use the head. The full tower gives a bird's eye view for the captain from the upper helm. The whole boat was ceramic coated in 2022 and New Eisenglass was installed in March 2023. The owner's new boat has arrived, all offers considered!

Vessel Walk Through

Boarding at the cockpit, you will immediately notice a subtle blend of form and function. The new curved transom has an integrated livewell for ease of access for bottom fishing and a stand-up rocket launcher in the middle makes it equally adept for a trolling spread. The forward part of the cockpit has fresh and raw water washdowns, recessed pole storage, quick-access tackle drawers, and double rows of rocket launchers overhead. The center helm is one step up with bench seats port and starboard. Cooler storage takes up space under each bench, with large engine room access on either side. Forward of the helm is another quick access into the engine room, as well as entry into the cabin space below. A full tuna tower can be accessed either port or starboard.

Cabin

- V-berth mattress doubles as storage when not in use
- Overhead mounts for rod storage
- Access to forward anchor locker
- Manual flush head with overboard discharge option
- Wall-mounted storage shelves
- Tool storage
- Microwave
