New Oil Pump

New Spark Plugs

Powerboat Review

Overview: Totally serious fishing machine with excellent range—roomy layout, unsinkable hull, top-notch finish. Deep-V hull delivers a better overall ride than earlier Whalers.

Features: Integrated swim/dive platform; walk-in console with portable head; foldaway stern seat; hydraulic tilt steering; in-deck insulated fish boxes (2); transom door; freshwater shower; standup live well; bow storage lockers; trim tabs; rod holders; rod storage racks; raw-water washdown; swivel helm seats with footrests; bow casting platform; cockpit lights. Options include T-top, bow pulpit, leaning post with cooler.

Performance: Around 40 mph top with single Mercury 225; close to 50 mph with twin 150s.

Manufactures Provided Description

The Boston Whaler 23 Outrage is a single-minded fishing machine with the size and strength to go where the big ones live. It has everything a serious fisherman needs: easy trailerability, a 360-degree walk-around center console, and a smooth ride afforded by its Accutrack hull system with Unibond construction. The extra-deep cockpit results in a feeling of security when the seas kick up, and stainless steel toe rails hold passengers in while they are leaning over. Standard features include two in-deck insulated fish boxes, raw water washdown, under-gunnel rod racks, and four rod holders. The livewell is outboard of the cockpit, so it doesn't interfere with fishing room. The 23-foot Outrage has plenty of comfort too, including a Porta-Potti in the console and an integrated swim platform with telescoping ladder. Add the optional freshwater shower and sunlounge, and anyone can enjoy the comforts of home even while at the edge of the shelf.
