Other Details

Vessel Walkthrough:

Starboard entrance stairs lead to a spacious and social outdoor aft patio seating and entertaining area, equipped with wet bar and electric grill/barbecue, icemaker, electronic sunshade that extends over the seating area.

Above Deck

From here a sliding door leads to the fully enclosed tinted-glass cockpit that's designed for function and entertainment.

Dual captain's chairs sit in front of the well-appointed console that includes joystick and sky hook controls. While you cruise, your guests can keep you company while seated on the spacious and luxurious wraparound lounge that is combined with the upper galley that includes a refrigerator and custom wine cooler and a 50 inch electric-lift flat screen TV. The indoor and outdoor spaces are easily merged to create one large social area.

Below Deck

The below deck saloon includes plenty of headroom, comfortable dinette on the starboard side and an entertainment center. Natural light streams in from the large, hull side windows. To the port side is a full galley with beautifully finished cabinets, granite countertops, a full-sized refrigerator, microwave and electric two-burner stove. There is also a washer/dryer combination.

There are two staterooms, including the full beam master which boasts of a queen-size bed with single level walk-around space. There is a separate head and shower dressed in beautiful granites and teaks.

The forward stateroom has an island berth with enough space to keep guests happy. There is a combined head and shower that is spacious and has a second door that opens onto the saloon for guests.

"BLUE HORIZON" is powered by twin Cummins diesel 550 HP engines with Zeus pods and stability of a SEA KEEPER. There is beautiful underwater lighting as well as a stunning array of exterior lighting that shows off the boat's best features and has all eyes turning your way. The forward deck includes dual mats for the sun worshipers aboard.

Overall, "BLUE HORIZON" is in like-new condition and combines the best of indoor and outdoor living. Perfect for all seasons, this is classic, luxury entertainment with the power and stability to match.
