Vessel Overview

The bow area is dual purpose with seating to accommodate guests on the forward-facing lounge or around bow seats and table that convert to a large sun pad for lazy days catching rays; or remove the cushions for a fully functional fishing platform.

The luxuriously functional cabin with queen sized berth, storage galore, galley kitchen, and separate head/shower compartment is the perfect place for air-conditioned comfort on hot days as well as longer trips with overnight stays.

An automotive inspired helm station allows the captain to be fully aware of the surroundings while staying in tune with the endless functionality on-board including: charts and navigation, Sea Keeper®, generator, ample stereo system, and more.
