Summary/Description

See Ya is a well maintained Mainship 34 with one cabin and one head, and she is equipped with a Perkins 165hp diesel engine with very low hours. See Ya is ready for long range cruising, or she will make a great live aboard. She has a spacious salon with a 2nd refrigerator, lower helm to starboard, full galley to port, and a head with a stand up shower to starboard. See Ya also has a large flybridge with an upper helm and room for seating 6 to 8 passengers. The hull and decks are in excellent condition, and she had a bottom job several months ago. The electronics have been updated so she is ready to cruise.
