Summary/Description

This LSX Lazzarra 75 is such a great, well laid out yacht. She is well built, has a modern but classic design, and is timeless. She offers plenty of ample space for entertaining yet offers impressive meeting areas for your best clients.

The Lazzara 75 LSX is one of the BEST designed yachts. She is a well built vessel, with her modern, yet classic design; she is timeless. The amazing layout offers ample space for entertainment yet also has areas for important client meetings. A loft style galley boasts 12' ceilings that will impress any chef. She has four beautiful staterooms that all feature ensuite heads. The full beam master features a king bed, a vanity dressing area, a desk, and a very elegant large bathroom. New engines and pods were added to the boat in 2010 (1800 low hours). The AC's have all been updated and will keep you cool on the hottest days. The convenient swim platform hydraulically lowers down for your own private beach or you can take your 12' Williams tender to any hot spot get away. This Lazzara is sure to impress and she is ready to take you to your dream destination where you can make unforgettable memories.

Full service on engines and pods

New fresh water pump with 2 years of warranty

New AC raw water pump

Bilge pumps are new

This boat is TURN KEY

OVERVIEW

LADY H is the perfect yacht for those who love to play at sea. With a level of performance, luxury and style that is second to none, she is sure to please even the pickiest client. Captain maintained from day one, she is exceptionally clean and well maintained. Options include ASEA power converter, MED & US SAT TV. LADY H is contemporary and clean with cutting edge performance, making her a dream to own and operate.

MAIN DECK

LADY H is very unique. At the swim platform there is a tender garage and window providing a view into the engine room

where the four Volvo Penta IPS engines may be seen. Starboard stairs lead up to the aft deck. Centerline there is a large, comfortable sun pad. The superstructure stops well forward, providing the vessel a lower, sleek profile. Leading forward are wide decks, with a bulwark topped by fashioned teak and stainless steel railing leading forward. The boat boasts ground tackle, cleats and chocks of mega yacht-class and quality. Oversized, chrome plated fitting hint at the construction quality found throughout the yacht. The tech decks are beautifully fitted and finished.

MAIN DECK OUTFITTING

- Anchor and Anchor Handling
- Anchor, stainless steel, 75 lbs
- Anchor chain storage in fore peak locker
- Anchor chute, stainless steel
- Anchor wash down spigot with hose
- Windlass, chain with controls

HELM

The helm is raised offering commanding views of the horizon. Companion seating is located next to the Captain's chair and is open to the main salon and atrium below. Electronic panels are mounted on swivels and adjustable to the captain's height and position (seated or standing). Standing up, the week and engine controls are comfortably at your fingertips. Gauges and switches are ergonomically placated for easy reach and ease of use.

GALLEY

The galley is located down in the middle of a 14 foot, beautiful atrium. It is one of the most magnificent and innovative areas of the yacht. The large windshield bathes the interior with daylight. The glass is both anti-glare and heat reflective, so the interior climate of the vessel is consistently and comfortably maintained. This area of the yacht provides a lofty open feel. The galley features exquisite granite countertops and full featured kitchen with stainless steel appliances. Across from the galley is beautiful and comfortable dining area. Notable galley features include:
