Summary/Description

The Cruisers 455 Express Motoryacht has been a popular favorite since it was introduced in 2004 as an updated version of the 4450 Express MY. So popular the boat was built for eight years with production carrying into the 2012 model year. The three-stateroom two-head layout is spacious and comfort

The **Cruisers 455 Express Motoryacht** has been a popular favorite since it was introduced in 2004 as an updated version of the 4450 Express MY. So popular the boat was built for eight years with production carrying into the 2012 model year. The three-stateroom two-head layout is spacious and comfortable, the bridge and aft decks flow together nicely. The 455 is comfortable, solidly built, and is easily handled.

Irish Lass is a veteran of the Great Loop, having just completed a two year journey in March of 2023. Along the way her owners were constantly maintaining and caring for her with an extensive list of upgrades and improvements.

Powered by a pair of **Volvo TAMD-75s** rated at 480 HP each, her features include a full fiberglass Hardtop with Bridge and Aft Deck climate control, an Onan 11.5 kW Generator, a Magna Sine Inverter, a Bow Thruster and much more.

Also included is a 2019 10' Zodiac Cadet 310 with a 6 HP Tohatsu outboard.

THIS IS A PRELIMINARY LISTING, PLEASE CALL FOR MORE DETAILS!

Manufacturer Provided Description

The Cruisers 455 Express Motoryacht is the big sister of the popular 405 Express Motoryacht. The cockpit features the kind of comfortable seating associated with traditional express boats - no separation between bridge and cockpit. A full express-style windshield provides exceptional wind and weather protection, while owners will also enjoy the benefits of the 455's hard top enclosure with wing doors and full weather enclosure.

Below, the 455 Express Motoryacht will delight owners and guests alike. Behind that deceptively express exterior lies a true aft cabin interior. The bright, airy salon offers a large convertible dinette, comfortable L-shaped sofa with double incliners and a superb view all around. A fully appointed galley with extra-large refrigerator / freezer makes meal preparation on the water a joy for the most discriminating gourmet. And, keeping the desired mood on board is made simple with the deluxe entertainment center and sound system. The luxurious master suite is located aft. It features a corner queen-size bed, generous storage and a large private head with adjoining bathtub, which is also accessible through a pair of lovely French doors. A whirlpool pump is available. The forward stateroom features a queen-size bed, plenty of storage and a walk-in closet. To accommodate additional family members or onboard guests, a third stateroom with twin berths is located amidships.

With plenty of room at the helm for all the latest electronics and available with a range of diesel power options, the new 455 Express Motoryacht is destined to excite the interest of cruising boaters who want the sleek styling and cockpit layout of an express, and the live-aboard comfort and luxury of an aft-cabin motoryacht.

Accommodations

The Cruisers 455 Express Motoryacht combines the best features of an Express Cruiser with those of an Aft Cabin Motoryacht. Above the Aft Deck and the Helm Deck are only one-step removed from each other, all underneath a large fiberglass hard top with Reverse Cycle Heat and AC.

Below is a Three-Stateroom Two-Head layout with a nice central Salon, Galley, and Dinette. The Forward VIP Stateroom

features a centerline Island Queen berth with a full privacy door, TV, and large cedar-lined closet.

Aft and to starboard of the VIP is the Third Stateroom with split single bunks and a privacy door. The combination washer-dryer is located in the closet of this Third Stateroom.

The Aft Master is quite large and features an Island Queen Berth, a large private Head and a large Tub/Shower combination with French Doors that open to the stateroom.
