Inboard/Outboard
380HP
283.37KW
Fuel: Gas/Petrol
Hours: 102
Year: 2020
Location: Starboard

Summary/Description

This is one of the cleanest 34 launch models currently on the market. She is a one owner lift kept vessel stored that is stored indoors for over 6 months out of the year. Professionally maintained by the local Chris Craft dealer and always serviced by an authorized Mercury dealer.

When you board the Launch 34, you immediately know this is not just “any” bowrider. Surrounded by the classic design and impeccable detailing, it invites you to settle in, collect your thoughts and make unforgettable memories with the entire family.

Take 12 for a day on the water or 2 for an impromptu weekend escape. The beauty of the Launch 34 is its ability to be both a powerful, agile bowrider – and a comfortable overnigher. Generous seating includes a dining area with a cockpit refrigerator. A surprising, compact berth is located starboard, and a head with sink (including a holding tank and dockside pumpout), portside.
