The Regal 38 Grande Coupe puts a positive spin on the traditional express cruiser by replacing the maintenance-heavy canvas with a hard top that has a massive opening sunroof built-in. Correctly labelled a sport yacht, her single level layout increases the living and entertaining space between the l

The Regal 38 Grande Coupe puts a positive spin on the traditional express cruiser by replacing the maintenance-heavy canvas with a hard top that has a massive opening sunroof built-in.

Correctly labelled a sport yacht, her single level layout increases the living and entertaining space between the large aft deck and the spacious and bright salon. The aft deck has an L-shaped upholstered sofa to starboard, with the entry from the swim platform being to the port side. The outdoor entertainment center is at the same level as the indoor galley counters, making for a seamless blend between the two when you lower the large electric window and slide open the cabin doors aside to starboard. The hardtop overhang makes this space all seem like one plus it also has the canvas full weather enclosure that allows year round use of this area.

The helm features excellent visibility and top shelf electronics, single lever engine controls plus the joystick docking feature and autopilot. There's an L-shaped sofa to port and a second sofa behind the Captain's Chair and features a 32" Flatscreen TV that lowers from the ceiling electrically. The forward stateroom is the master and features an island California Queen sized bed with access from both sides and a generous amount of storage underneath. The head is spacious, split between two rooms: one for the head and one for the shower. It allows for two people to change or get ready at the same time. The aft guest stateroom features twin single beds or a full size king bed, a settee, and large side windows that make the cabin space very bright. This one has too many options to list here but click on full specs for details. This one is turn key with fresh bottom paint so call today and be on the water this weekend!

Accommodations

Comfortable overnight accommodations in 2 private and roomy staterooms each with a flatscreen TV and lots of natural lighting. The head and shower are split between 2 compartments with the shower on the port side and the toilet on the starboard.

- LED lighting
- 3 Reverse Cycle Air Conditioner Systems 61k BTU Total
- (4) Sharp Roku HD Smart TVs
- Blue Ray DVD player
- Central Vacuum
- Pleated Privacy Shades
- Hanging Lockers
- Teak Floor in Shower Stall
- Electric Flush Head

Salon

The salon is light and airy feeling from the large windows located 360 degrees. Pleated privacy shades and exterior mesh screens on the forward windshield. Seating to port and to starboard with a teak table top located at the port settee.

- Snap-in Grassmat Flooring throughout the interior
- Large Sunroof opens electrically
- 32" Flatscreen TV lowers from the ceiling electrically
- Air Conditioned for year round comfort

Galley

The Galley is located to the port side immediately as you enter the salon through the 3 part slicing glass door. The window between the galley and the cockpit wet bar lowers electrically and this completely opens up the space between the cockpit and salon. There is a flatscreen TV in the salon and one in the cockpit over the wet bar that lower from the ceiling electrically so you will not miss one play of your favorite sporting event.

- Microwave Oven
- 2 Burner Electric Stovetop
- Stainless Steel Sink
- Vitrifrigo Refrigerator/Freezer - Drawer Model
- 6 Gallon Water Heater
- Corian Countertops
- Window between galley and cockpit wet bar lowers electrically - pleated shade

Helm

The helm is well designed with great visibility and a comfortable double wide helm seat. Top shelf Garmin Electronics, digital engine controls, joystick docking and auto pilot makes this one a breeze to handle.
