Summary/Description

WILL ACCEPT CLEAN TRADES!

The Hatteras 60 Motoryacht of this era has enjoyed a great reputation for modern styling, excellent performance, efficient 3 stateroom layout, and a look that will always be in demand for many years to come.

"It's Now Or Never" is unique in a very significant feature and that is the installation of dual SeaKeeper Stabilization system in 2019. An additional, often overlooked a very important feature of this Hatteras 60, is the newer straight shaft drives. This is much more efficient and easier to maintain system than V-drive earlier installation of the 60 M.Y.! In addition, the following features are important to consider when a U.S. built quality motoryacht is in your future cruising plans:

- **DUAL SEAKEEPER STABILIZATION SYSTEM**
- Reliable CAT C-18 engines allowing cruise speeds of 25 knots and 32 knots wide open throttle
- Updated Cruisair A/C systems with air-conditioned flybridge
- New AC units in owner's stateroom and galley, 10/2023
- Internal SeaBreeze A/C descaling system
- Dockmate Wireless remote docking system
- Garmin Electronics
- Action Marine 2018 RIB (10'6") and newly certified 4-man life raft plus numerous updates and itemized inventory.
