BROKERS WALK THRU

An Incredible Find! Only Three 2023 30.1 Beneteaus are listed currently in this country, and this is the only one in Florida (at this time of Listing)

Everything on this boat is still like Brand New. She has only been cruised. She has not been overnighted on yet or cooked on. The anchor still has the Delta manufactures tag on it..

She has been lightly day cruised and getting broken in for some outstanding fall and wintertime cruising that this great state provides. Unfortunately, some things got in the way and the seller will be unable to do this. She has to be put on the market, and their boating plans will be put on hold.

Boat is lift kept in it's own safe and secure cradle. The sellers upon purchase got a custom Bimini and Doger made, they got covers made for the teak seating and decking for the fold down transom and also Custom winch covers made for the winches. Also upgraded was the factory bottom paint. Brand-New high-quality bottom paint was just applied April 2023.

This boat is clean, dry and ready to go. If you may want something for this upcoming fall, or something easily transportable.

to take up north for the summer. Do Not Delay. The time is now!!
