- Galvanized fasteners
- Heavy duty adjustable keel pad on front forward cross-member
- Fully Grounded Wiring
- Stainless Steel Hardware
- Aluminum Bunk Brackets

Power Boat Review

A huge sales success, those looking for a versatile pocket cruiser will find much to like in the 280 Sundancer. Sea Ray hit all the right buttons with the 280 — terrific styling, top-shelf amenities, and a well-appointed interior with comfortable accommodations for six. Beginning with her spacious single-level cockpit with wet bar, portside lounge, and transom door, the stern bench seat folds out of the way when not needed and the rear-facing bench seat converts to a sun lounge. A centerline companionway leads to the 280's cherry-trimmed interior with U-shaped dinette to port, full-service galley opposite, convertible V-berth forward (with removable table), and a compact head/shower to starboard. Privacy curtains separate both sleeping areas from the salon. An extended swim platform was standard, and a convenient storage locker is built into the transom. Molded steps in the sliding companionway door provide quick bow access

via the walk-thru windshield. On the downside, the mid-cabin berth is a tight fit for adults and the engine compartment hatch is heavy. Built on a solid fiberglass deep-V hull, twin 220hp MerCruiser sterndrives, the 280 Sundancer will cruise at 24-26 knots (about 40 knots top).

Manufactures Provided Description

The Sea Ray 280 Sundancer is just the boat you've been waiting for. Beautiful. Sleek. Comfortable. With room to sleep six, she's just right for families who hate to leave the water when darkness falls. Standard power is a MerCruiser 496 Magnum Bravo III stern drive.
