Summary/Description

M/Y EVA is a stylish 33m (108ft) Trideck classic and elegant displacement yacht built in 1992 by famous Cheoy Lee Shipyards and extensively refitted between 2022 and 2023 by a passionate and knowledgeable yacht owner.

M/Y EVA offers impressive interior volumes with a total of 224GT, featuring a very spacious and cozy main salon with a fully equipped bar and large dining table and an intimate upper salon with a big TV screen and comfy sofas. She can accommodate 8 guests in 4 very large luxury cabins, including a full beam master on the main deck, with shower and bath tub, 2 x VIP cabins with twin beds and a VIP with a double bed can be found on the lower deck.

All her interior areas combine elegantly the original classic style and a new warm and modern design.

Her Galley is conveniently located on the main deck and is fully equipped with large ovens and a modern stove and hosts two enormous fridges and freezers. She has a crew of 5, sleeping in 3 comfortable cabins on the lower deck, with a large crew mess featuring additional fridges and practical storage areas. A laundry room with washing machine and dryer completes the forward part of lower deck.

Following an extensive two-year refit and her recent launch, M/Y EVA is now sailing under the Madeira flag registry and is offered for charters departing from her permanent berth in Cannes and cruising the French and Italian Riviera and the stunning islands of Corsica and Sardinia. She is authorised to welcome up to 35 guests for short coastal navigations.

M/Y Eva owns a separately registered 7.5m RIB tender with a powerful 250hp outboard engine which can take up to 18 guests and is the perfect boat to pull out water-skiers or wakeboarders or to tow inflatable buoys and tubings. For more safety and crew convenience, there is also a 3.5m Avon jet tender located on the aft upper deck with a strong hydraulic crane to easily launch it, along with the 3-seater jet ski Seadoo Spark and the 2 "Seabob type" ALTIVS APX. Among the many other toys, you will find 2 sea Kayaks, 2 stand-up Paddles, a big inflatable Raft and Snorkeling equipment for all guests.

M/Y EVA is also a very seaworthy ship and her low fuel consumption allied to her 35,000 Liters (9,246 US Gallons) tanks allow her to long range navigations. This unique and unmissable classic yacht is now presented in excellent condition, fully equipped and benefits from a EU VAT Paid status.
