Summary/Description

2004 Viking Princess 75' Sport Cruiser

This model Viking Princess is highly sought after for many reasons including the 4 stateroom layout with a 5th cabin aft for the crew. She also boasts a spacious main salon and plenty of open air space on the aft deck, bow and flybridge equipped a hard top. There is also a dining area that seats 8 with an enclosure when needed. We highlight these attributes first because there are many boaters that are looking for this exact layout and it is difficult to find a vessel with all of these boxes checked, and even harder to find one at this price point that has been cared for at this level.

In 2017 they completed her refit spending in excess of \$500,000 making her like new. The owner and her captain have continued to meticulously maintain the boat ever since. Given these unique attributes this vessel this vessel is a must see.
