The Azimut S6 is a luxury motor yacht manufactured by the Italian yacht builder Azimut Yachts. It was first introduced in 2018 and is part of Azimut's S Collection, which is known for its sleek and sporty design.

The S6 is 18.98 meters (62 feet) in length and has a beam of 4.9 meters (16 feet). It has a maximum speed of 34 knots and a cruising speed of 28 knots, making it a fast and agile yacht. It is powered by two Volvo Penta IPS 1350 engines, each with a power output of 1,000 horsepower.

The exterior design of the Azimut S6 is characterized by clean lines and a sporty profile. The yacht features a large open cockpit area with ample seating, a teak-decked swim platform, and a retractable sunroof. The S6 also has a spacious bow area with a sun pad for lounging and relaxing.

The interior of the Azimut S6 is designed to provide a luxurious and comfortable living space. The yacht can accommodate up to six guests in three cabins, including a full-beam master suite, a VIP cabin, and a twin cabin. Each cabin has its own en-suite bathroom, and the master suite also features a walk-in wardrobe.

The main deck of the yacht has a large salon with a comfortable seating area and a dining table. The galley is located aft and can be closed off from the salon when not in use. The S6 also features a lower deck lounge area with a TV and seating, as well as a crew cabin with its own bathroom.

Overall, the Azimut S6 is a luxurious and stylish motor yacht that offers a perfect blend of performance and comfort. It is designed for those who appreciate speed, style, and sophistication on the water.
