Introduction

The Sea Ray Sundancer 60 was one of the best selling yachts in its class for several years, a quick look at the contemporary styling, appointments, and performance and its easy to see why. While there were many made there are few that have been given the care and attention that a 60' yacht needs. We are proud to introduce one such example. This 2008 model year Sundancer 60 has been maintained professionally at every turn as well as being regularly updated with the latest state of the art equipment. She is 100% turn key!
