Summary/Description

QTR is the cleanest, nicest and best maintained Hatteras 52 Motor Yacht anywhere! From her very comfortable living area interiors to her spotless engine room this boat is Bristol! She will make an excellent live-a-board or she is ready to cruise.

The price is right with this new reduction!!

The 3 stateroom, 3 head layout each with stall showers is one of Hatteras's most popular models! Most recent additions include new teak flooring in galley and heads, new bow and stern thruster controls with new batteries and remote, new satellite dish, new front camera and two new ac units. If you are in the market for a Hatteras do not miss the opportunity to see this exceptional Yacht!

Accommodations

Board the vessel from either port, or starboard, boarding gate amidship. The wide walk-around sidedecks make it easy to navigate around the vessel. Proceed aft through a door on either side, and enter the hard-covered aft deck sun room with wood sole. The aft deck area is filled with light from (2) large slide-opening windows (with screens}, and a 5-panel Isinglass stern enclosure with U-zips. Complete with full-size wicker sofa, love seat, two chairs, folding wood table, wet-bar, TV, and a walk-through transom door with ladder leading to the fiberglass nonskid swim platform below. From the aft deck, up four stairs forward to the hard-covered flybridge. The flybridge is the only helm station aboard this beautiful vessel. The helm station is complete with carpet sole (New 2019), independent captain's and mate's chairs, L-shaped settee, bench seating, and elevated padded lounge area. Returning to the covered aft deck, down four stairs forward (starboard to the bridge steps), you enter the saloon complete with tan carpet sole (New 2019), large U-shaped sectional settee, 360 degree swivel chair, and gray wood coffee table. The area is surrounded by (9) windows, two of which are slide-opening, a built-in entertainment console, TV, and built-in wine cooler. Continue forward, down two steps, to a U-shaped galley to port, and booth seating to starboard. The galley has a full size refrigerator, 2-burner electric stove, microwave, dishwasher, and sink with garbage disposal. The booth seating has a highlow table and can be converted into a berth when needed. Proceed forward down two steps and enter the private guest stateroom with center-lined queen berth, opening overhead hatch (with screen), (2) hanging lockers, stowage drawers, and a private en-suite head with stall shower to port.

Aft of the saloon, down five stairs, is the companionway leading to another guest stateroom to starboard with over-under bunked berths, large hanging locker, and opening portlight (with screen). Head to port with stall shower, and vanity. The master stateroom aft cabin has a center-lined walkaround queen berth, large cedar-lined walk-in closet, en-suite head with stall tub/shower combo, (3) opening portlights (with screens), and plenty of built-in drawers for stowage.

Engine room access through soft floor panels in saloon with ER ladder (new 2017), or forward stairs hatch.

Galley
