Inboard
535HP
398.95KW
Fuel: Diesel
Year: 1991
Serial #: 00621372
Location: Starboard

Summary/Description

For Sale

1991 45 Hatteras Convertible Yacht REEL BROKE for sale. With extensive outfitting done in the last 18 months, REEL BROKE is ready for her next owner. The 692 Detroit has a total of 1600 hours and less than 250 hours on the rebuilds with new turbos. The ship cruises at about 18 knots while burning a combined 30-31g/hr. Top end speed is about 21 knots. This ship's 132 square foot cockpit features a molded bait and tackle station, live-well, in-deck fish box, and

transom door with a coaming gate. Moving into the salon, you see a tasteful U-shaped seating starboard with a serving bar, upgraded entertainment system, and TV. The galley is located to port as we descend to the staterooms. The mid-ship master has a queen island bed with a separate stall shower. The guest stateroom in the bow has over/under bunks starboard, washer and dryer opposite as well as private access to the day head. The quality of care is apparent when walking through and around this boat. The bottom was cleaned every month; biweekly if fishing.
