Summary/Description

Welcome to the world of elegance and performance. This Curstom Line 100 Fast Motor Yacht is dedicated to the most demanding and dynamic owners.

This spacious yacht seamlessly blends contemporary design with luxurious amenities, creating an inviting atmosphere that is perfect for relaxation and entertainment.

The full-beam On-Deck Owner's cabin offers privacy and breathtaking views, while the four guest cabins on the lower deck are all elegantly appointed and equipped with en-suite bathrooms and the following configuration:

Two queen cabins, one twin cabin, and one convertible cabin (twin beds convert to one queen bed). Both the twin cabin and the convertible cabin have folding wall single beds for extra guest accommodations or for kids.

Powered by a pair of MTU 16V 2000 engines with a total of 5300 HP of propulsion, the Custom Line 100 glides through the waves with remarkable speed, ensuring that your journey is as swift as it is stylish.

With crew amenities and sleeping arrangements for up to six crew, your every desire is anticipated and catered to.

Whether you're seeking exhilarating speed or tranquil relaxation, the Custom Line 100 promises an experience beyond compare.

Description

The Custom Line 100 is, **(Actual name is Reserved by the owner)** in our opinion, one of the best-designed 100-foot yachts on the market. We say this not just because of her stylish exterior (which is, of course, a matter of personal taste), but also because of her ingenious layout, amenities, and equipment. It is truly remarkable how the designers managed to incorporate so many features into a yacht of this size.

The Custom Line 100 was ahead of her time when she was first launched, and she remains one of the most well-thought-out yachts on the market today. Every available space has been utilized for guest or crew use, and the overall layout is both efficient and comfortable.

As experienced yacht builders ourselves, we appreciate the high level of craftsmanship and attention to detail that is evident in every aspect of the Custom Line 100. She is truly a masterpiece of design and functionality.

Here are just a few of the things that make the Custom Line 100 so special:

- Spacious and luxurious accommodations: The Custom Line 100 can accommodate up to 12 guests in five spacious cabins, including a full-beam master suite. All cabins feature en-suite bathrooms and large windows with stunning views of the sea.
