Walkthrough

Stepping aboard “Adios” into the spacious cockpit, you immediately know the popularity of this desirable 58’ series from Merritt’s. The large mezzanine area with plenty of seating also hosts an abundance of refrigeration, freezer space, and storage. The large teak cockpit offers plenty of room for anglers and crew to fish comfortably.

Entering the salon, you will see the beautiful natural teak interior finished in satin varnish. To port is a large u-shaped sofa with plenty of visibility through the salon windows. To starboard is the entertainment.

Going forward on the starboard side is the much sought-after dinette area with seating for four. Across to port is the galley area, with all appliances under the counter to provide a clean, open look. The custom wood floor and granite countertops complement the entire salon area.

Forward in the galley behind the book-matched teak cabinetry, you will find sliding drawers providing ample storage and the microwave oven. The custom built-in Merritt refrigeration and freezer are located under the forward counter. The cooktop is located under the countertop.

Moving forward down the companionway stairs; the crew quarters are too starboard with over/under births with an ensuite head and shower that also serves as the day head.

To port is the guest stateroom with a double birth and single with storage drawers underneath and an ensuite head and shower has an overhead hatch and access from the companionway through a separate door.

Continuing forward is a stacked LG washer and dryer.

All the way forward is the master suite boasting a queen birth to port with matching end table cabinets and overhead reading lights. To starboard, you will find the entertainment center flanked by two large hanging. The ensuite head and shower are all the way forward with an overhead hatch.
