Summary/Description

This 46 like-new Invincible has stayed in a covered shop when not in use and has always been professionally maintained. She is powered by Quad Mercury Verado 450 engines with just 400 hours.

This like-new 2021 46' Invincible has stayed in a covered shop when not in use and has always been professionally maintained. The owner has built multiple boats with Invincible, so this boat is dialed in with upgrades throughout the boat. She has been designed to be fished like a tournament boat while still providing the versatility to entertain up to 20 people with her ample seating and wide beam. She is powered by Quad Mercury Verado 450r engines with just 400 hours that can top her out at around 78 mph.

Some unique things that this boat has built in to accommodate fishing include dual wash-down hoses both in the bow and cockpit that have fresh water capabilities with two 55-gallon freshwater tanks located on both port and starboard sides. She also has electric reel plug-ins, both port and starboard side bow, and also in the cockpit which allows for more room to spread out anglers. In the cockpit, there are dual live wells along with the rear-facing tackle station upgrade. The helm area includes dual Simrad displays, Optimus 360 Joystick capability, autopilot, and Mercury VesselView 903 Upgrade display. She is also equipped with FLIR, Sirius XM radar, and a 4ft 12kw radar. She has adjustable dual-row helm seating equipped with Shoxs upgrade which allows for a serene ride.

She is the ultimate offshore fishing machine, with unprecedented size, range, and amenities to carry everyone and everything anywhere, in any condition. A 46' catamaran designed to efficiently achieve world-beating performance out of quad-outboard engines, while providing sportfish-level fishability and specifications. She also has the style, design, and comfort to turn heads of every person passing by. She is ready to be a part of unforgettable memories with her new owners!
