689.77KW

Fuel: Diesel

### Engine 2

Caterpillar

3412E DITA

Inboard

925HP

689.77KW

Fuel: Diesel

### Generator 1

Kohler

35KW

### Generator 2

Kohler

35KW

## Summary/Description

Built in steel and aluminium by the Cantiere Navale Bugari and CRN, M/Y Lady MOH has been delivered to her first owner in 2002 and has been privately used since then.

Built in steel and aluminium by the Cantiere Navale Bugari and CRN, M/Y Lady MOH has been delivered to her first owner in 2002 and has since been privately used. The current owner purchased M/Y Lady Moh in 2020 and proceed with an extensive refit, including the build of a hard top on the flybridge as well as a complete paint.

The main deck features a comfortable and spacious saloon, including a wet bar and two long sofa on both side making the salon a perfect place to socialize. The dining area welcomes 8 guests while allowing the crew to have a comfortable space to serve.

M/Y Lady Moh accommodates 9 guests in 4 comfortable cabins. The full-beam master cabin is located on the main deck with ensuite bathroom. The lower deck comprises a full-beam VIP cabin, a double cabin and a twin cabin with pullman bed. Powered by twin Caterpillar 3412E 925 HP engines with 3300 hours each, she comfortably cruises at 12 Knots. M/Y Lady Moh can reach a maximum speed of 15 knots. Loaded with options, including a spacious garage which can accommodate a 5.5m tender, a watermarker, brand new generator, new teak, new Jacuzzi, hard top and much more.
