Summary/Description

If you are in the market for an Outboard Powered Sports Cruiser with 2 staterooms and a separate head and shower compartment and one loaded with options then this one is a must see. Gone are the days of not going boating due to hot or cold weather - fully climate controlled salon and helm allow you

If you are in the market for an Outboard Powered Sports Cruiser with 2 staterooms and a separate head and shower compartment and one loaded with options then this one is a must see. Gone are the days of not going boating due to hot or cold weather - fully climate controlled salon and helm allow you to enjoy boating regardless of the conditions.

Outboard power means several things that make this vessel particularly attractive: more interior living space in a shorter length, easier maintenance and servicing of the engines, and lower draft depth offering increased exploring options including shallower anchoring bays or beaching not to mention the added storage space below deck where the inboard engines would be located.

This one is lift kept on a fresh water lake and shows like a new boat! Fresh Bottom Paint Sept 2023 and engine service up to date. Call today and be on the water this weekend.

Salon Features

As you enter the cabin through the sliding glass door you'll notice the massive windows wrap around a full 360 degrees for nearly unobstructed view while cruising or at anchor. While you're in the marina, blinds offer complete privacy. Opposite the galley, there's a loveseat to starboard behind the double-wide helm seat, and an I-shaped sofa opposite the helm. Overhead, the hard top opens to allow the sunshine and breeze in for a true express cruiser feeling.

- Mosaic Countertops
- Mist Flooring - Floor Runner
- Pleated Window Shades
- Black Mesh Windshield Cover
- Opening Windows on each side
- Storage behind and Below Starboard Side Loveseat
- Salon Table
- 32" Flatscreen TV electrically lowers from ceiling
- Glass Panel between Galley and Cockpit lowers electrically
- Factory Tinted windows

Foredeck Features

The innovative bow sunpad looks pretty standard at first glance and features a snap-on Sunbrella Cover. Further inspection reveals a six-position multi-purpose entertainment area. Let's begin with the lowered area up at the anchor locker. Two large and deep storage locker hatches form the floor of this area which serves as a very comfortable foot-well for when the forward portion of the sunpad is raised to create a bow seat with an incredible view. It creates a wonderful solo reading nook or a romantic dining spot for two both with incredible views. The aft portion of the sunpad

also inclines to create a traditional sun pad to stretch out on. Thanks to the 38 XO's high sheerline, the bow is relatively flat and level unlike some competitive models. The windlass and foot pedals make anchoring in your favorite bay simple for a deck hand of any age.

Cockpit and Exterior Features

Moving from the Foredeck aft, stainless side rails and hand rails on the hardtop guide you (and your kids) safely around the cabin to the aft patio.....it's not just an aft deck, it's truly an outdoor patio featuring luxurious hand-stitched seating for up to six adults (with tons of storage space underneath the seat bases), wrapped around a large and beautiful wooden removable table. Entrance to the swim platform is to the port side, and the entrance to the cabin is through a centerline sliding glass door. Overhead, a TV drops down from the fiberglass hardtop and an Electric Grill and Stainless Steel Refrigerator compliment the Cockpit.

- Kenyon Electric Grill
- Isotherm Stainless Steel Refrigerator
- Snap-in Grass Mat Flooring
- Custom Seat Covers
- Camper Package Enclosure - Black Sunbrella
- TCL 32" Flatscreen TV - Electrically lowers from ceiling
- Swim Platform with folding Ladder
- Storage Trunk
- Cable Master for Power Cord
- Storage Locker

Galley

The split galley design of the 38 XO functions equally well for the four boating seasons. Slide the two-piece glass door closed in the cooler shoulder seasons of spring and fall and easily prepare a meal in the port-side aft galley. The galley is well equipped with an oversized fridge and freezer, microwave, impressive storage space, a good-sized sink and ample counter space. Or, in the warmer months and with a simple push of a button, open the sliding door and the retractable window and you create a seamless entertaining space that flows from inside to out. Outside you'll find a smokeless grill, fridge, a convenient trash can and more counter space to feed your crew easily.

- Kenyon 2 burner Stovetop with Corian Cover
- Muave Microwave Oven
- Vitrafrigo Stainless Steel Drawer Refrigerator/Freezers (2)
- Kenyon Electric Grill
- Isotherm Stainless Steel Refrigerator
- Drop Down Flatscreen TV

Lower Deck Features

Going below, down the hardwood stairs, you'll find a large best-in-class forward guest stateroom with California-queen v-berth with long narrow windows in the hull sides that let in plenty of light and make it easy to see what's going on without leaving your bed. The master stateroom is aft, under the cabin floor and features a full-beam layout with a king size bed that converts to two twin beds when necessary, large windows on both sides, abundant storage space, a large TV and a settee to port it's a private quiet escape haven. To starboard is a full size head, separate from the port-side full-

size shower for maximum convenience. Interior comfort is maintained by three air conditioners: two 16,000 BTU units and one 27,000 BTU unit.

Electronics

- Yamaha Electronic Engine Controls
- Garmin 8616 + B60 Xducer
- Garmin Closed Array Radar
- Optimus Joystick W/Sea Station/Seaways
- Garmin Autopilot and Skyhook Feature
