Summary/Description

Beautiful 2021 Cobia 320 CC. New to the market 09/23. Whisper gray hull, painted white motors, T-Top integrated hard top with a windshield, outriggers mounted on the T-Top, Garmin Electronics (dual screens), blue underwater lights, easy to operate with digital electric steering, a joystick and muc

With an overall length of 32', a beam of 10' 3", and a 275 gallon fuel capacity, the 320 CC is a spacious, big water hull capable of long range trips that can still be comfortably trailered. Designed for the discerning family fisherman, the 320 CC blends a tournament ready layout with the elegance, comfort and style of a cruiser. Serious anglers will appreciate the large unobstructed cockpit, a tackle center with sink and bait prep area big enough for all your terminal tackle and baits, under-gunwale rod storage, macerated in-deck fish boxes, and twin pressurized livewells that combine for a 70 gallon capacity. But the 320 CC is much more than a hardcore fishing machine. With elegant front seating, an electric bow table, inward opening side door, spacious walk-down forward entry head with 6'2" of headroom, and optional integrated windshield, this boat puts a premium on riding in luxury and style. A drop-in helm pod big enough to fit dual 16" multi-function displays and a full array of control elements can be color matched to the hull and all the upholstery on board is available in three optional color packages, including a tri-color custom Bentley-style stitching. Combine all of this with the 320 CC hull's top of class ride and the 320 CC is sure to be a stunner whether on the trolling grounds or at the marina.
