In Stock: Yes

## Engines/Generators

## Summary/Description

### For Sale

The CNB Bordeaux is a stunning looking vessel, very stylish with performance to match. The construction of these boats is excellent and designed to cross oceans in speed and comfort. It has very clean decks with excellent cockpit space, with the twin Carbon wheel set up. Below deck is very elegant with huge saloon area and lower galley which is enclosed and superbly equipped. The forward master cabin is very spacious plus the two aft cabins. This example has had many improvements over the last 5 years, and more recently in the last 12months including dinghy davits and solar. A great for serious Bluewater adventuring. These boat details are subject to contract. Note: Offers on the asking price may be considered.
