Engine Model:		Cruise Speed:	
Engine HP:	1823.79	Max Speed:	
Beam:	16' 8"	Cabins/Heads:	3 / 3
Max Draft:	5' 4"	Fuel Type:	Diesel
Water:	250 G (946.35 L)	Fuel:	845 G (3198.67 L)

**\$845,000**

## Data Sheet

Category: Motor Yachts  
Condition: Used  
Model Year: 2011  
Refit Year: 2022  
Beam: 16'8" (5.08m)  
Max Draft: 5' 4" (1.63m)  
LOA: 68' (20.73m)  
Cabins: 3  
Sleeps: 6  
Single Berths: 2  
V Berths: 1  
Queen Berths: 1  
King Berths: 1  
Heads: 3

Crew Cabins: 1  
Crew Sleeps: 1  
Fuel Type: Diesel  
Hull Material: GRP  
Hull Shape: Deep Vee  
Air Conditioning: Yes

Displacement: 69440 lbs  
Fuel Tank: 845 gal (3198.67 liters)  
Fresh Water: 250 gal (946.35 liters)  
Holding Tank: 70.4 gal (266.49 liters)  
Builder: Azimut  
Designer: STEFANO RIGHINI  
Exterior Color: Grey  
HIN/IMO: XAX68SANE011

## Engines/Generators

### Engine 1

MAN  
Inboard  
1823.79HP  
1360KW  
Fuel: Diesel  
Hours: 11433  
Hours Date: 10-03-2023  
Year: 2010  
Serial #: V12-1360-D2842-LE- 423  
Location: Port

### Engine 2

MAN  
Inboard  
1823.79HP  
1360KW  
Fuel: Diesel  
Hours: 11433  
Hours Date: 10-03-2023  
Year: 2010  
Serial #: V12-1360-D2842-LE- 424  
Location: Starboard

### Generator 1

Kohler  
23EOZD  
2300KW  
1800.00RPM  
Hours: 1670  
Hours Date: 10/03/2023

## Summary/Description

BOAT is an Azimut 68s, supporting the quality that goes into all these Italian built vessels. The challenge for Azimut was to build a sports model that stood out. The 68s model has a narrower hull than the 68-ft flybridge model. The forward hull sections are deeper and then decrease moving aft. The

BOAT is an Azimut 68s, supporting the quality that goes into all these Italian built vessels. The challenge for Azimut was to build a sports model that stood out. The 68s model has a narrower hull than the 68-ft flybridge model. The forward hull sections are deeper and then decrease moving aft. The prop tunnels allow the shaft to be at a minimal angle allowing for a super fine ride with superior handling if going into quick turns.

The expressions of the Azimut quality will penetrate deeply into any person privileged to get on board and experience the ride on the open ocean. BOAT gets its power from two powerful MTU engines paired with a hull perfectly matched that will allow the boat to reach an impressive top speed of 36 knots and a cruising speed of 26 knots. With a push of a button, open the roof, take the helm and head out to explore the ocean. Comfortable, open and airy, private, incredible ride are a few of the words that come to mind when describing her. Azimut has achieved many awards for building top quality yachts. The company continues to grow as they are now building vessel up to 120 ft. Azimut yachts fulfill the promise of a superior superstructure design, but they also deliver on the smaller details, right down to the choice of material that goes into finishing. The quality of the hardware and the safety systems that are addressed and installed throughout the boat are exceptional!

BOAT resides in the Southern California, U.S. Flagged, LLC Owned, this Azimut 68s is very unique to this part of the region. BOAT gets noticed everywhere she goes.

## Recent Upgrades & Refit 2021/2022

- New Bottom Paint 2021
- Prop / Shaft / Shaft Seals (35k) 2021
- Bottom Paint (15k) 2021
- Through Holes New except Motors
- New Toilet Master
- New Zenta Joystick & Module Upgrade (8k) 2022
- Galley - New Fridge Recessed in Wall 2022
- Underwater Lights Install 2021
- New 2x Samsung TV's 50" 2022
- Bedding Upgraded
- New Outside / Inside Cushions 2022
- Recent Wax 2023

## Accommodations

The 68s is technically classified as an Express Cruiser. Superior level of privacy but with the ability to open up to the outdoors. An enormous area of the hard top opens up some 65 square feet to skies. The 4 patio doors can be moved to one side completing an outdoor/indoor atmosphere. The large main salon incorporates a great lounge, dining and entertainment area. The helm is also included on the same level. Refinished dark wenge flooring, relaxing furniture spread out which include an L-shaped sofa, a in-line sofa, two extra moveable seats, dining table with a pop out TV and a great BBQ station in the cockpit. Large side windows also electronically open as well. The sound system is easily accessed to set the mood for the occasion.

## Salon & Dining

- Wenge solid wood sole in the salon
- Full width sun-roof, completely opens up the salon to the outside
- Large sliding patio doors all open to one side
- Heat/Air con zoned for this area
- Hideaway TV that pops out of the dining table
- Outdoor BBQ setup
- Helm on the same level
- Great access to the galley
- Great access to the staterooms and heads

## Staterooms and Heads

- BOAT's cabin configuration has been designed to comfortably accommodate 6 guests plus crew for overnight – But you can always find room for others. Natural dark wenge wood in the furniture and cabinets complete the comfort feel.
- Very large full beam master state room located mid-ship. Includes a walk around queen with new custom mattress, multiple wardrobes, upgraded lighting, new head liner and a large ensuite.
- The very strong and safe six panel windows on either side give the illusion of one large window creating an impressive view over the ocean. Dining table situated nicely to starboard which can be used as a large office desk.
- VIP cabin located forward with large queen bed. Above the bed is a good-sized circular hatch for added fresh air and plenty of natural light. Multiple hanging lockers and storage drawers. Includes another full ensuite.
- Guest cabin located between the others, features two single beds, large circular portlight adding natural light and fresh air, night table, hanging locker and access to a shared 3rd head.
- Crew quarters or spare room located in the cockpit, aft to portside. Includes single bed, sink & toilet, shower and opening portlight. When not used, this is a great space for storage.

## Decks & Hull

### Deck

- Teak in laid walk-around decks
- Large sun pad forward on the bow
- Large anchor locker with 300' of chain, up/down foot switches and a washdown
- Stainless steel safety grab railing encompasses walk-around decks
- Extra-thick tempered glass windows fitted to the superstructure
- Cockpit includes massive sun bed with open space for entertaining and dining
- Retractable sunshade

### Hull

- Advanced material and technique go into the construction of the Azimut hulls
- Laminated w/top quality vinyl-ester resin preventing osmosis
- Orthothalic resin used in lamination of remaining parts
- Sandwich wall structure and superstructure constructed using highest quality PVC foam
- Outstanding rigidity and insulation designed into the hull sides
- Deep v-shape to the hull w/deadrise 15.35 degrees. The Deep V keel with v-drives optimize the performance
- Automatic wing engine room cooling vents built into the hull
- Bottom paint and zincs 2019

## Cockpit

- This space is large and is wonderfully laid out
- Wet bar in the cockpit with barbecue, sink, ice maker & fridge
- Master size padded sun lounge area
- Twin sofa seating with dining table
- Electronically activating sunshade
- The swim platform can be lowered by hydraulics into the water creating a fantastic cocktail/play location
- The dock/gangway is hidden until required to board the vessel while at the dock
- Crew quarter access
- Engine room access
- Deck walk-around access

## Galley

The galley is located forward of the main salon and a few steps down. A unique two-way sliding door is used as a privacy divider from the main salon and staterooms. A well thought out separation if needed. Fully equipped galley includes a ceramic stove, convection microwave oven, a full size stand up freezer/fridge, two S/S circular sinks tucked into the corner, S/S counter top, wenge cabinets and flooring, exhaust fan and a large opening portlight.

## Garage

- Transom hatch opens with a push of a button exposing the garage which stores your tender and miscellaneous toys. Also, extra fuel and your wash down hose can be stored here out of the way
- Keep another tender or jet ski on the swim platform, hydraulically lower the swim platform into the water and take off with all your toys.

## Equipment

- Whirlpool 4-burner ceramic stove top
- Sharp Microwave oven
- Fridge/Freezer full size

## Laundry

- Bosch WVT 1260GB Automatic washer dryer

## Helm

- The wheelhouse is on the main deck forward, with a premium leather captain's helm chair which secures you into position plus a very comfortable leather double wide guest seat along side.
- Hypro Hydraulic steering
- Easy access to all helm controls designed into this sporty 68-footer. Includes a leather/Steel adjustable wheel
- Xenta X-Dock controls new 2022
- Bow and Stern thrusters
- Large wrap around windows allows full clear vision all around you as you travel at 36 knots. Side windows open for natural fresh air
- Easy to see full instrumentation, gauges for all systems and clear video footage from the camera located in the engine room and one facing aft
- Anchor controls and chain meter counter
- Trim tab controls with indicator
- Windshield wiper controls

- Instrument lights, navigation lights, horn, alarm display, bilge pump control, fluid level indicators

## Electrical

- Kohler 20 Kw 3 Phase diesel Advanced Digital control generator with sound shield (very quiet)
- 50 Amp dockside power cable
- 220 Vac, 24 V dc, 12 V dc
- Victron Energy Centaur Battery charger 24/60(3) 120-240V
- Dolphin Pro Battery charger 24V 150A 230V

## Remarks

BOAT is an Azimut 68s, supporting the quality that goes into all these Italian built vessels. The challenge for Azimut was to build a sports model that stood out. The 68s model has a narrower hull than the 68-ft flybridge model. The forward hull sections are deeper and then decrease moving aft. The prop tunnels allow the shaft to be at a minimal angle allowing for a super fine ride with superior handling if going into quick turns.

The expressions of the Azimut quality will penetrate deeply into any person privileged to get on board and experience the ride on the open ocean. BOAT gets its power from two powerful MTU engines paired with a hull perfectly matched that will allow the boat to reach an impressive top speed of 36 knots and a cruising speed of 26 knots. With a push of a button. open the roof, take the helm and head out to explore the ocean. Comfortable, open and airy, private, incredible ride are a few of the words that come to mind when describing her. Azimut has achieved many awards for building top quality yachts.
