1103.64KW
Fuel: Diesel

Generator 1

Kohler
EOZ
80KW

Summary/Description

Motoryacht Papaito is a well traveled, refit and in-class boat that is ready for her next owner. Full paint job, new generators, overhauls were all part of the refit at LMC.

The Benetti Classic 120 is an evolution of the Classic series by the design team of François Zuretti (interior) and Stefano Righini (exterior) aimed at creating a luxury superyacht with increased space and light. An elegant example of the series, Papaito was launched in 2008 with a refit in 2017/18 and a more light, cosmetic one in 2020.

Designed for comfortable cruising, this pedigree yacht offers a variety of common areas including a spacious saloon and airy sky lounge ensuring there's plenty of space for guests to relax and enjoy the beautiful surroundings. For al-fresco entertainment, the sundeck is fitted with lounge furniture, a jacuzzi, barbecue, bar, and a teak table that can accommodate 8. A half-length fixed bimini top gives sun protection if desired while the aft section can be shaded with removable sails, allowing the lounge space to be uncovered in the evening for star gazing out at your favorite anchorage.

She can accommodate 12 guests in 5 staterooms with an on deck master, 2 VIP cabins, and 2 twin cabins with pullmans. The master stateroom is situated forward on the main deck with an en-suite and a beautiful 180 degree view forward out to the surrounding area. Below deck there are 4 cabins all with their own en suite, 2 VIP cabins with queen beds and 2 twin cabins with Pullman beds and the STBD twin cabin can convert into a king bed.

The aft deck has steps on either side that lead down to a large swim platform and tender garage. This area can act as a beach club or as a launch platform for water toys.

Currently in-class (ABS) - MCA compliant

For an exclusion list and full spec brochure, please contact the listing broker.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
