

KENORA

107' (32.72m) 1999 Wally Wally 107
Spain

OVERVIEW

Manufacturer:	Wally	Hull Material:	Composite
Engines:	2 Caterpillar	Cruise Speed:	11 Knots
Engine Model:	3126KTP	Max Speed:	12 Knots
Engine HP:	385	Cabins/Heads:	3 /
Beam:	25' 11"	Fuel Type:	Diesel
Max Draft:	13' 1"	Fuel:	1109 G (4200 L)
Water:	634 G (2400 L)		

€2,750,000

Data Sheet

Category: Schooner
Condition: Used
Model Year: 1999
Beam: 25'11" (7.92m)
Max Draft: 13' 1" (4.00m)
Min Draft: 4' 1" (1.00m)
LOA: 107' 4" (32.72m)
LWL: 95' (29.05m)
Cabins: 3
Sleeps: 6
Twin Berths: 1
Double Berths: 2

Crew Cabins: 2
Crew Sleeps: 4
Maximum Speed: 12 Knots
Cruise Speed: 11 Knots
Range NM: 1750
Fuel Type: Diesel
Hull Material: Composite
Air Conditioning: Yes

Gross Tonnage: 102
Displacement: 85000 tonnes
Fuel Tank: 1109 gal (4200 liters)
Fresh Water: 634 gal (2400 liters)
Holding Tank: 1110 gal Classification: ABS
MCA Certified: No
Builder: Wally
Interior Designer: Luca Brenta & Co
Stock #: 705a0170-79b7-

BROKER'S COMMENTS - HIGHLIGHTS & AWARDS

KENORA is more than a Wally; custom built by Pendennis in the UK, KENORA was designed by Luca Brenta and commissioned for an experienced sailor with a round-the-world cruise in mind.

Although KENORA hasn't circumnavigated yet, she has proved her ability time and again. Mostly Med cruising for months at a time, KENORA has also crossed to the Caribbean with the RORC Transatlantic Race

achieving impressive speeds in the mid-20s on route.

KENORA has been meticulously maintained by the same owner since its launch and the same captain for the past 15yrs. Intelligently modified

over the years to ensure she is always in top condition, KENORA enters the market for the first time and is a must-see!

Awards: International Superyacht Society Awards 2000 – Winner of the Best Sailing Yacht 23m-26m category.

INTERIOR DESCRIPTION - ACCOMMODATIONS & ARRANGEMENT

MAIN SALON: KENORA's raised saloon is bright and spacious with a modern feeling thanks to the blend of wood, carbon and light coloured fabrics.

Descending the teak companionway steps, to starboard is a wooden dining table for eight with carbon intricately inlaid around the border. To port is a comfortable lounging area with three sofas and an armchair surrounding a low, wooden coffee table. On the aft bulkhead is a large flat screen TV with entertainment system.

Forward to port is a wet bar with fridge, ice-maker and custom storage for glass and bottles. Forward starboard is a study area with desk, lighting and office chair.

MASTER CABIN: KENORA's master cabin was purposefully positioned in the center of the yacht, the area with the least movement in a seaway. She was designed by an experienced sailor with a round the world cruise in mind.

The large double can be transformed into twin beds if desired. Lying on your back with feet facing forward, electric blinds open to a view out of the forward coach roof window to the sky above.

KENORA's master has 'His and Hers' washrooms, ensuite with shower to port and head to starboard.

After the study in the starboard corridor, there is ample storage space with full length hanging wardrobes.

GUEST CABINS: KENORA has two guest cabins forward. Mirror images of each other, both are ensuite twin cabins with electrically controlled skylight hatches.

CREW ACCOMMODATION: Two ensuite cabins aft accommodate 4 crew. Ahead of the crew cabins and with its own entrance is the central, forward facing Nav area. Outboard to port is the laundry area with Miele Washer and Drier whilst outboard to starboard is a work bench and tool storage.

The galley is well laid out, full beam including a comfortable crew area to starboard. Complete with Miele appliances and

ample fridge and freezer space

MECHANICAL & ELECTRICAL EQUIPMENT

ENGINE: Caterpillar 3126 HP :385 Kw : 287

ENGINE SERVICED: Major Service performed in August 2023 : Replaced Cylinder head , Heat exchanger + After cooler cleaned by Caterpillar mechanics. Oil changes and basic maintenance performed regularly every 250 hours (fuel-oil filters - anodes)

ENGINE HOURS & DATE RECORDED : 3.028 hours 07\11\2022

PROPULSION TYPE: Diesel

GEARBOX: Twin disc MG-5061A + Aqua drive CVB 32.30 anti vibration system maxprop three blade propeller

STABILISERS: N/A

THRUSTERS: Sternthruster + Bowthrusters CARITEC 4020

GENERATORS: X 2 Cummins MDKBU , 50 HZ Amps : 51.3 KVA: 33.8 KW :27 RPM: 1500

GENERATOR HOURS & DATE RECORDED : Port Generator : 10192 hours Starboard Generator : 9919 (Regular service every 250 hours + major service in winter 2023 : new PTO clutches, heat exchanger professionally cleaned, new CPU + wiring harnesses, new alternator , new belts)

SHORE POWER: 220\380 V shore power converter

BATTERIES: Cellyte Modular 95A 17 Light Bank - service bank

STARTER BATTERIES: 2 x main engine start batteries - 4 gen start batteries Optima Agm 24 V

AUXILARY BATTERIES:

CHARGERS: Three Chargers Victron Energy Skylla 24\100 3-phase Charger Output current : 100A, continuous short circuit proof

TRANSFORMER: Wesemann 2562000 220-240———255 V 50\60 HZ

INPUT CURRENT: 380 V

INVERTER: Three Mass SINE 24\ 1500 230V\ 50 HZ

AIR CONDITIONING: Condaria PCWM 22503

A/C COMPRESSOR: Condaria PCWM 22503 220 V

WATER PUMPS: Gianneschi JET 4- E x 2

WATER MAKER: 2 X water maker Tecnicomar SML 1500 . Working pressure: 50 bar product flow : 180 LH Two new set of membranes installed in winter 2023 . HP pumps serviced winter 2022

WATER BOILER: 2X Quick Water boilers 200 L capacity installed in 2020 ,elements changed regularly, last ones fitted in 02\23

WATER SOFTENER: Kineco water softener + UV filter lamps- Potable water tap installed in galley sink

WATER PRESSURE: \

FUEL FILTER: Racor 75/9000 X 2 + Donaldson pre-filter , fuel tanks cleaned and resealed in winter 2023

WC SYSTEM: Tecma electrical toilets

TANKAGE CAPACITY

FUEL: 4200L + 250l day tank in Engine Room

FRESH WATER: 2400L

BLACK WATER: 500 L

BILGE: No bilge tank installed\ bilge overboard

GREY WATER: 500 L

DECK EQUIPMENT

X 6 1120 harken winches

X2 1140 harken winches

Cariboni " CARITEC" magic trim rams for traveller

Cariboni " Caritec" magic trim ram for mainsheet

Cariboni Caritec Cunningham ram
