This professionally maintained Lagoon 46 is now available for sale by its original owner. One of the most popular models in the Lagoon line it replaced the iconic 450 and is a market leader in its size. Its interior offers space and amenities making it the perfect candidate for cruising or as a live aboard. All cabins have big storage cabinets, over-sized portholes that let in natural light, LED reading lamps, fans, overhead hatches and dedicated air conditioning units for personal comfort. Cockpit reaches a table and seating for 8. Foredeck has a lounge with a settee and full flybridge with reading and sun pad. From the trampoline to the cockpit, you'll have plenty of areas to relax without ever feeling crowded. The galley has a propane-fueled oven and stove plus a microwave oven, refrigerator, drawer freezer, with ample counter tops and dry storage. Electronics include B&G VHF radio, 16" B&G plotter and Fusion stereo system. Full AC, Generator and Water Maker.

Sail handling is made easy via a self-tacking jib and electric winches. The line organizer leads all lines back to the cockpit to a dedicated line storage bag which facilitates single-handed sailing. Intuitive B&G electronics and autopilot allow easy monitoring, navigation, and communication. The Lagoon 46 is delightful to sail, easy to maneuver and a must see for anyone seeking effortless sailing in spacious comfort.
