Fuel: Gas/Petrol
Year: 2021

Summary/Description

2022 Croswait Composites 24 Center Console 300 Suzuki Outboard with Jackplate Load Rite Float-on Aluminum Trailer

This 2022 Croswait 24 is a true Custom Carolina center console, built in Wanchese, North Carolina. The 24 is one of the newest hulls from Croswait, which builds off of the great success of the popular Croswait 21. The 24 features a shallow draft for inshore fishing, but with a deeper-v hull for a great ride offshore. This particular boat also features a full upper station with controls, a forward coffin box, a large cockpit with a transom box, mezzanine seating with a livewell beneath, and a helm with dual Garmin multi-function displays. Other notable features include a 300 hp Suzuki engine, a jackplate, Gemulx outriggers, a three-sided enclosure, a Fusion stereo system, and a Load-Rite aluminum trailer.

ELECTRONICS
