Summary/Description

"Sea B's" is a 2016 Boston Whaler 370 that cruises at 35 mph and tops out at over 50 mph powered by her optional three 300-hp Mercury Verado outboards (Low 356 Hours). A 4-hp Lewmar bow thruster is also standard, so lining up the port-side loading door with any spot on the dock is a snap. 14 people can fit aboard the vessel, and there's space for everyone's gear, too, making her attractive to family-minded boaters. A forward sun pad has stowage for supplies beneath, and the V-seating area in the bow features a table on an electric lift that raises and lowers with the touch of a button, converting the area into a chaise lounge. Another neat electric feature is a shade that comes out of the aft end of the hardtop, giving anyone around the helm area extra protection from the sun. If that's not cool enough, an optional 8,000-Btu air conditioner with helm and cabin vents. The 370 is intended to be fished too. So she comes with a slew of smart angling features such as a standard 55-gallon livewell located in the bait-prep station and a 24-gallon livewell isolated in the aft bulwark, to port. There's also a sink and electric cooktop built into the station should you want to fry up some of the day's catch. And you can serve it on the optional Boston Whaler dishware, which has dedicated stowage below. Whatever part of the fishing haul you don't eat on board will be kept in one of five in-deck fish boxes. The hardtop is outrigger-ready and can be accessed via a built-in ladder so that you can get to the 6 rod holders.

Sea B's is fully equipped to do the job. And with Boston Whaler's reputation for strength and solid construction, you know she's ready for anything.

Manufacturer Provided Description

There's no shortage of reasons why Boston Whaler's impressive 370 Outrage earned a coveted NMMA Innovation Award and was named European Powerboat of the Year. Outstanding as both an offshore fishing boat and an entertaining vessel, and exceptional as a yacht tender, the 370 is big on space, comfort and luxury. The devoted angler will appreciate the multipurpose leaning post, with a pressurized livewell, tackle storage, refrigerator/freezer, sink and grill. An optional Summer Kitchen swaps the livewell for another fridge and an electric single-burner stove. The helm impresses with an electrically adjustable captain's seat and hardtop-windshield system, as well as available Mercury Joystick Piloting, for ultimate confidence when cruising even the roughest ocean waves. The 370 Outrage's spacious cabin hosts a double berth, HDTV, coffeemaker, hanging locker, fridge, microwave, shower and vanity. In other words, everything you need for recreation, entertaining or overnighting in complete comfort.
