Summary/Description

2015 Cobia 237 Center Console

Very nice and ready to go fishing and cruising 237 Cobia. Always lift kept under a shelter and with a very particular owner. Clean and professionally detailed twice a year her entire life. There is no disappointment in her condition!

Manufacturer Provided Description

Utilizing the same high performance and super fuel efficient hull design as its bigger brothers, the 256 and 296, the brand new 237 delivers offshore tournament capability with family comfort. A stem to stern level deck, flush mount hardware, recessed bow rail, and optional hideaway aft bench seating make pulling aboard the big ones simple anywhere on the boat. More than enough bait will fit in the easily accessible 28 gallon live well with Cobia's Keep-Alive aeration system and your catch can be iced down in two massive In-Deck fish boxes. Blue LED cockpit lighting, a finished console interior and a contemporary helm area add style to all the substance. The 237 will make any day on the water an efficient, convenient and pleasurable experience.

Broker's Comments

This is a great opportunity to own a well maintained and nicely appointed center console. She has been very well kept by the owner. There is no disappointments here on her condition and would service well and both a fishing machine or a family cruiser.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is

told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
