Summary/Description

Explore paradise in style with the 1999 Azimut 100 Jumbo motoryacht. She encompasses luxury, space, and adventure all in one package. Your perfect sea escape awaits.

Motor Yacht Endless Sun is a unique luxury platform to cruise the waters of the USA and the world. Well maintained, delivered turn-key & fully equipped, she is ready to confidently provide stunning experiences for you and your guests. Her full 100 ft length sporting 5 luxury cabins plus crew quarters features stunning Italian design and contemporary sophistication.

Built by Azimut Benetti s.p.a. in Viareggio Italy, in 1999 and refitted in 2021-2023 this 100' luxury motor yacht appointed with rich wood, light leather upholstery, and stonework thought provides an entry point to the superyacht lifestyle at an affordable price.

Thanks to her massive 24-foot beam she boasts plenty of interior volume, while still allowing for spacious walk-around decks for ease of access around the exterior of the boat.

Endless Sun features five staterooms amidships sleeping 10 with (2) King, (1) Queen, and (2) twin staterooms. All staterooms feature an ensuite bathroom, with the Owner's Suite having dual sinks and a walk-in closet. There is accommodation for up to 4 crew in 2 staterooms forward, each with its ensuite bathroom.

Key features of the yacht described in detail below include a massive upper deck area perfect for entertaining, a spacious well appointed main salon, an additional aft dining area, foredeck lounging and suntanning area, a beach club/garage that opens for water activities, full galley, state of the art electronics in the pilot house and flybridge control areas.

Main Salon

Upon entering the salon from the aft deck through the double curved sliding glass door entry, you are immediately struck by the generous volume with plenty of natural light through the oversized windows port and starboard, conveniently shaded for direct sunlight by the walk-around overhangs. An adjustable blind system allows privacy when desired, and adjustment for various light conditions.

Immediately to port upon entering is a marble-topped wet bar with a glasses rack, ice machine, and sink. To port and starboard are elegant white leather couches, stain resistant and easily maintained, in the center is an adjustable coffee

table.

Forward is a large 72' frame TV screen for displaying art or scenes to set a mood. At the far end of the main salon is the dining area.

Looking aft in the main salon is a second TV for those days with multiple programs or sporting events. This TV and the stereo equipment and electronics stow away behind a rolling cabinet door. There is storage for various board games.

- 2 x Large crescent-shaped designer upholstered sofa
- Beautiful inlaid wood craftsmanship
- Ample built-in cabinet storage
- Wood three-part cocktail table
- Designer carpet and carpet protector
- Large windows with adjustable privacy shades
- LED overhead lighting
- Mood floor lighting

Dining Area

Forward in the main salon is the dining area. Anchored by an 8-person dining table with beautiful inlaid wood. Lighting can be adjusted for breakfast, formal dinner, or workspace. Adjacent to the expandable dining room table are cabinets for storing the high-end dining room set.

- 8 x Chairs with large 6 or 8-person adjustable dining room table
- Abundance of built-in cabinet storage

On Deck Day Head

The on-deck head and powder room is located forward of the main salon on the starboard side. With dark wood and marble sink and floor, this provides a convenient facility for guest use entering from the main salon and leaves a great impression.

Galley

The well-equipped galley is located forward from the main salon on the port side. Direct access to the main salon and dining area is for serving provided by a door that is closed during food preparation. Access by the crew is through a door to the exterior walk-around deck.

The galley has plenty of countertop and storage space with two generous granite countertops. The galley features storage, all the necessary appliances and SS sink with faucet.

There is a set of large 4-bay refrigerators along the entranceway, formerly a combination refrigerator/freezer that has been converted to refrigeration only with a large capacity stand-up freezer and additional stand-up refrigerator added to the garage.

Beach Club/Garage

The Endless Sun is equipped with an aft transom garage section that folds down to provide a beach club. This provides your very own waterfront entertainment venue wherever you may be anchored or docked. Access from the aft deck is provided by the hydraulically deployed passerelle.

Unwind in your very own sea-level waterside haven, paddleboard, swim, float, or dangle your feet over the side as the crew deploys the jet ski from its remote-controlled slider.

An ideal location to sunbathe, board a tender, and enjoy the view.

In the garage there is upright storage for dive tanks, various water toys, and accessories.

Upstairs Master Stateroom

Endless Sun has an on-deck Master typically only found on larger yachts. Having on-deck access to the master is a great feature that allows for larger windows, bringing in more natural light. Only a few steps away from the dining and main salon areas is perfect for anyone not wanting to climb stairs whenever they need to go to their cabin.
