Summary/Description

WILL ACCEPT CLEAN TRADES

This gem has often been described as the “sports car” in the Yellowfin line-up. Jaw dropping speed and agility come together with the highest level of fit and finish in the industry. Simply creating a boat that out performs everything in its class, the 32’ Yellowfin tracks and cuts waves better than most center consoles yet provides handling like what you’d expect from a high-performance skiff. This near perfect blend of form and functionality give fisherman the perfect platform for whatever you are chasing.
