Accommodations

The "CHUPACABRA" has a very comfortable layout and features a 19' 6" beam and provides generous accommodations and unsurpassed for luxurious comfort. This 64's 3/3 arrangement consists of three staterooms and three heads, with the only full beam master stateroom in its size range. Throughout, the emphasis is on spacious and luxurious accommodations ideal for relaxation or entertaining. With more than 150 square feet of area the salon exudes the warmth of genuine American black cherry paneling, pre-filled and finished in high gloss. To port, a custom U shaped sofa provides ample storage underneath. To starboard, a 42 inch plasma TV with surround sound can fill the salon with entertainment. Linear valences distribute cooled air evenly throughout salon and galley, without the hot and cold spots associated with overhead vents. One step up from the salon, the 64's galley features solid surface granite countertops, under counter refrigeration including freezer, a four burner ceramic cook top, and garbage disposal and microwave convection oven. Opposite is a large dinette with granite tabletop. Down below, the full beam configuration of the master suite is more than just best in class. It offers an unparalleled 166 square feet of floor space virtually identical to that of the 68 Convertible! Accessed through a private foyer flanked by a full 92 inch hanging locker, the master suite has more than enough room for a king sized berth, twin nightstands, and dressers port and starboard plus a 20 inch LCD TV. Two oversized port lights admit light and provide a water level view to either side. At 74 square feet, the bow stateroom on the 64 Convertible is virtually identical to its counterpart on the 68. It has a queen sized berth with storage underneath. Two cedar lined hanging lockers are included along with ample drawer and cabinet space along the hull sides. The port stateroom is fitted with twin berths, along with a hanging locker, hull side storage and nightstand. The wide beam creates a generously sized flybridge with ample space for all your guests. Equipped with electronics in a pop up console, a tuna tower, 3-sided enclosure, freezer and plenty of storage and seating, the flybridge is the place to be while running. The cockpit, spacious in its own right, is rigged for the serious angler. The mezzanine offers plenty of storage and seating, freezer, 4 drawer tackle station, modular storage and refrigeration. The cockpit has an ice chipper, fish boxes, and livewell.

Galley

- Granite Countertops with stainless steel drop in sink
- Single lever faucet
- Two large drawers in granite backsplash
- Subzero undercounter refrigerators (2 units, 4 drawers) and freezer (1 unit, 2 drawers)

- Garmin 7216 Plotter 16" Screen
- Furuno RD33 Speed Temp
- Simrad AP 78 Autopilot
- Icom M506 x 2 VHF's
- Icom 802 SSB

Electrical

Hatteras is known for their attention to detail, and wiring is one of their strongest points. All wiring is tin-coated and sealed in an insulation jacket. Wiring harnesses are tie-wrapped every 6 inches and secured every 18 inches with easy access. Wiring is color-coded and numbered at both terminal ends, and is well documented in the owner's manual. Go one step further to find their attention to detail in placement of dual light switches on both ends of the salon and companionway for convenience. Something you'll miss on other brands.

- 2 Onan Generator

Fishing Equipment

- Rupp Triple Spreader Outriggers and Center rigger
- 2 Pompanette Helm Chairs
- Custom Tackle storage in Salon
- Ice chipper
- 2x Full length fish boxes

Cockpit

The cockpit is a full 164 square feet, loaded with features and conveniences to enhance the fishing experience. The raised mezzanine provides comfortable cushioned seating for viewing and tucked neatly under the mezzanine is an expansive freezer, stainless steel tackle drawers and additional storage boxes. Twin in deck fish boxes provides additional storage. Shorecord connections, quick disconnect salt and freshwater washdown outlets, are all hidden behind doors with no exposed hardware while the scuppers drain discretely through the quarter fenders. In addition, beneath the step you'll find a refrigerated drink box and wet storage compartments. Teak cockpit sole, cover and coaming boards accent the boat and inside the cockpit is a teak custom wood table and a custom ladder to bridge with six wide teak treads for easy access. In addition, you'll find a customized teak table with cup holders and cover positioned aft of the mezzanine seating. A custom fore and aft ladder, allows you to easily access the flybridge.
