The Azimut 46 Fly was originally launched in 2000, offering a quality and luxurious flybridge cruiser with heaps of entertainment space and creature comforts! From the beautifully arranged bridge itself, offering wet bar, sunpad, and great seating with panoramic views, though the oversized sliding glass door into the thoughtfully laid out interior space in the main saloon. With the galley down, the interior helm does not take away from the interior space, and the wow factor is definitely there with the fit and finish. Offering two large staterooms and a ton of storage/closet space, this is the perfect vessel for long getaways or unforgettable events on the water! Not to mention the exterior detailing as well, what a presence!
