BOOK ENDS is a 164' Heesen, delivered in 2022. She was crafted with an ultra-efficient hull shape and a curvy yet sporty exterior design. This powerful tri-deck motor yacht combines a dynamic profile with a spacious internal volume, hosting up to 12 guests in five luxurious staterooms.

Interior highlights include an innovative salon design with curved bulkheads separating the lounge and dining areas, a full beam owner's suite on the main deck with a separate study, social semi-circular seating arrangements in the main salon and sky lounge, and four guest suites situated on the lower deck. The expanse of the interior blends everything in perfect symmetry and harmony.

Out on deck, the wrap-around glass and loose exterior furniture give the deck spaces use for generous seating while remaining airy, light, and well-detailed. The sprawling sundeck is comprised of forward lounge seating, a bar and dining area, and a jacuzzi and sun pads aft. Up here, you'll never miss out on the vast ocean views. The walk-around bridge deck offers ample guest space with seating on the foredeck, and dining and entertaining space on the aft deck. The main deck has a huge expanse of sun pads, and aft on the lower deck there is a flex-use beach club that can be configured as a gym or lounge area. The fold-down transom extends the beach club when at anchor, making onboard relaxation even more inviting.

BOOK ENDS is unique yet elegant and is ideal for both island hopping and longer passages.

Not for sale to US residents while in US waters.
