## Summary/Description

### For Sale

Dr Dark is a 2006 Model, 68' "Enclosed Bridge" Convertible, powered with twin 1800 HP Caterpillar Diesel Engines and has twin 27.5 KW diesel Generators. There are four luxurious Staterooms and four heads. This vessel offers a spacious salon with a U-shaped sofa to port with the gourmet galley and large dinette forward of the salon. An interior staircase leads from the salon upward to the enclosed flybridge. Dr. Dark offers a spacious 192-square-foot cockpit with fighting chair that is ideal for sportfishing, cruising or entertaining. In addition, there is mezzanine seating available for anglers and guests. If there is one thing that stands out about this boat it is the exceptional 21'6" beam. It offers a spaciousness that is not found on vessels of similar size. Dr. Dark has four roomy staterooms and four heads. The lavish, full-beam master stateroom is aft and midship offering complete privacy to the owner and super comfortable sleeping accommodations in a true king-sized berth. All interior wood is lacquered cherry giving a luxurious feel to the entire interior. There is no doubt that Dr. Dark represents one of the finest 68' Hatteras Convertibles on the market today. She has been professionally maintained by a conscientious owner and a veteran, experienced captain. In November of 2009, Her Caterpillar engines were replaced with NEW C32A engines. With less than 2000 engine hours she is perhaps the lowest hour one on the market. Upon the current owner taking ownership, the most current 1000-hour engine service was performed by a certified Caterpillar dealer. There are approximately 300 hours remaining prior to the next 1000-hour service becoming necessary. This vessel has had Nothing but the best of maintenance and records are available for inspection by the next lucky owner. Do not miss out on the opportunity to be the next owner if this incredible vessel.
