2400 Lbs. Carrying Capacity

Dearing Buddies

Diamond Plate Fenders

Upright Guide Poles

2" Ball Required

MANUFACTURERS PROVIDED INFO

The Boston Whaler 190 Nantucket is a very attractively priced boat / motor / trailer package. Its 12-inch draft lets anglers ply shallow backwaters, yet its V-hull entry, 22-inch interior freeboard and 60-gallon fuel capacity make it equally suited for heading offshore. So owners get big-boat capabilities (including the yacht-quality touches expected from Whaler) plus easy trailerability. It's loaded with standard features - under-gunnel rod racks, a leaning post, tilt stainless steel steering wheel, acrylic windshield and generous console space for bracket-mounted electronics and flush-mounted components. There's plenty of toe room for fish fighting, and extra transom space thanks to the removable port rear quarter seat base. Naturally, there are lots of options for even more hardcore fishing and creature comforts.
