### NOTABLE MENTIONS:

This vessel is still owned by the original owner/builder. His mechanical engineering background and technology driven attitude have contributed to a platform with redundancy of systems throughout as well as tens of thousands of dollars in well inventoried spare parts. This Vessels maintenance program is second to none. Oil analysis have been performed at every change. Multiple histogram of the main engines available for review.

## Vessel Walkthrough

Guests enter main salon through sliding doors from the lanai deck. They are greeted with a full-width leather lounge seating area. Galley includes a double-wide sub-zero refrigerator, a combination convection/microwave oven, avonite countertops, exotic wood trim and designer wall coverings. Two large guest staterooms with en-suite heads are abaft the crew stateroom. The full width master stateroom offers a king sized berth with a large en-suite head and cedar-lined

walk-in hanging lockers. An extra large flybridge offers 360 degree visibility, fore and aft control stations, wet bar, and spacious seating for guests. The 78' large aft fishing cockpit features an integral dual bait tank system and two built-in tackle centers. This 78 delivers a smooth, dry ride. It trims perfectly, offers exceptional stability due to the design's low center of gravity and stabilizers.
